ROAD CLOSURE

We have been granted a road closure in the area of The Green from Egerton Avenue to Werburgh Close between 12noon and 5pm. This will also mean that the entire length of Paddock Lane will be access only for residents. ROAD AHEAD CLOSED signage will be placed at both ends of Paddock Lane.

Access will be available for emergency services.

CAT5 BUS

Bus services will be suspended through the village from 12noon to 5pm. During this period buses will be diverted along Bent Lane, as is normal during peak times during the week. Anyone struggling with this diversion, phone Gaye Fletcher in advance and a committee member can offer assistance.
